What is the registration fee for the course?

The Registration Fee is $995.00. If you are an alumnus of UCF, you are eligible for a discounted registration fee of $895.00.

I see I can pay for CEUs. What is a CEU, and is it necessary for me to pay the $30.00 fee to enroll in this course?

A CEU is a Continuing Education Unit. If your profession or company requires you to pursue training and/or continued education to maintain licensure, we are able to submit earned CEUs to Florida CE Broker or issue a General CEU Certificate. You only need to elect to pay the CEU fee of $30.00, at the time of registration if you want to receive CEUs for the Online Health Care Risk Management Licensure Course.

Does the registration fee include the cost of the text book?

The $995.00 registration fee does not include the course book, which can be purchased directly through the publisher at http://www.wiley.com/WileyCDA/WileyTitle/productCd-0470300175.html.

Upon successful completion of this course will I be able to obtain my Risk Management Licensure?

Licensing also depends on additional eligibility requirements as determined by the State. The decision to license any individual completing this course of study is a decision reserved for action by the state of Florida Licensing Authority. If a student has any questions regarding her/his eligibility for licensure, please contact the Licensure Office at the Agency for Health Care Administration (AHCA) in Tallahassee, FL. at 850.412.4364 or http://ahca.myflorida.com/MCHQ/Health_Facility_Regulation/Hospital_Outpatient/risk_manager.shtml.

Can I still enroll in the program if I am not eligible for licensure?

Of course! Should participants not meet the licensure eligibility through AHCA they can still take the course for the knowledge and program information, and receive a certificate of completion at the end of the course.

How long will I be granted access to this course?

Participants must complete the 120 hour self-paced program within a 1 year period.

I have more questions that were not answered in this document, is there someone I can contact?
